

CLPGS Northern Group July 15th 2018 Bring along the Portables “Food & Drink”.

15 members attended our Annual portable venture bringing along their HMVs, Columbia, and Decca portable machines. Smallest machine was probably a red Columbia 100; most prominent make was HMV. Briefly everyone enjoyed their refreshments and all had sought out an assortment of music to please everybody. Below is a list of records we heard; recording dates ranged throughout the 20th century.
